Treasurer's Report

- Reviewed Semi-Monthly Account Detail Report and Capital Needs 2023.
- Received one Accounting RFP from Sean Hucko of Stokes, Visca, Hucko and Barone LLC Accounting Firm.

- RG&E – Treasurer Kuhn has been trying to work with RG&E since we have been receiving extremely high bills for Station 1. The last time there was an actual meter read at Station 1 was in June 2022. We have older meters which do not match up with their website meter reading in order to report our own meter reads. Treasurer Kuhn was finally able to have them send someone out this Thursday between 8 am – 4 pm for an actual meter read.
- Discussion regarding the furnace replacement and room heater unit replacements at Station 1 listed on the Capital Needs spreadsheet for 2023. Commissioner Bird indicated that the replacement heaters should not cost more than \$20,000. The decision was to change the Room Heater Unit Replacement from \$75,000 to \$25,000 and increase the Furnace Replacement from \$250,000 to \$300,000.

RESOLUTION 2022-50 Payment of Bills

BE IT RESOLVED that the Treasurer is approved to transfer \$15,336.30 for the regular bills and \$5,279.05 for payroll from the General Fund and deposit all into the General Checking account for a total of \$20,615.35.

Motion by Commissioner Hammel seconded by Commissioner Bird to approve pending receiving the physical and arson/sex offender approved paperwork. **4 Yes 0 No**

New/Old Business

- Furnace at Station 1 – previously discussed.
- Chief Wainwright inquired if insurance forms could be requested for the 9/27 training at Churchville Fire Department and the 10/25 training at PSFT. Commissioner Bird will take care of this. There will also be fill-in departments at Station 1 for both nights.
- Chief Wainwright discussed a request by a member for his training records. Per the discussion, a member can request a “copy” of their training records, but the original copies in their file, must stay with the district. Secretary Bax will develop a form for a member to complete when requesting a copy of their training records, which will need to be signed by the member. Commissioner Hammel indicated that the Chief, or a Chief, must make the copies of the training records – not the member.
- Chief Wainwright inquired if Mike Henry could receive a Lowes card. The commission did not have a problem with this. Treasurer Kuhn will check to see how many Lowes cards are assigned to personnel.

Commissioner Reports

Commissioner Bird

- Alex took items for auction to Station 5.
- Indicated that our policy says that we do not have to publish selling items if they are under \$20,000 as long as we receive Best Value. After further discussion, if we are going to change this process, then we need to revise our policy.
- Will need to determine the value of any vehicle we are selling and the trailer.
- Working on getting the FOB for the Quartermaster Office – waiting on Churchville Electric.

Commissioner Hammel

- The lumber for the shed at Station 5 is still stacked up.

Motion by Commissioner Bird seconded by Commissioner Hammel to adjourn. **4 Yes 0 No**
